Dear: Devotees & Friends,

I thank each and every one of you for your enthusiastic participation and support in running the Hindu Temple administration efficiently during all these years . As you are aware, our **Maha Khumbhabhishekam** program will be held from April 10 thru April 12 (see the attached program invitation). I am writing this to request your participation in this program along with your family and friends to make this event a huge success like in the past years. Without your participation and financial support, this important event would not be successful.

The **Maha Khumbhabhishekam** has always been both a great re-vitalizing ceremony for the entire temple and an opportunity for the devotees to re-affirm their faith. We are equally fortunate to have devotees and volunteers like you who are always willing to share their time, talent, and resources towards further strengthening the core values of the Hindu Temple such as enriching lives of Hindu community of Greater Birmingham by supporting and promoting various educational, cultural, and religious activities through our Hindu Temple.

We have progressed substantially in the last 17 years since the Hindu Temple was built in Birmingham but we have a long way to go. I feel extremely confident about your continued support and participation in the current as well as future events in the Hindu Temple.

May the blessings of Lord Almighty be always with all of us and our families.

Thanking you.

Sincerely,
Vishwa Rao, Chairman,
THTCCB Board of Trustees.
